Happy learning!

LEARNING VOCABULARY

- **MOSALINGUA WEB**

Our all-in-one solution for learning the most useful words and phrases, immersing yourself in a language, and practicing with numerous English resources (e.g. videos, audiobooks, books, articles).

- **MOSALINGUA LEARN ENGLISH APP**

Spend just 5-10 minutes a day on our mobile app and learn the most useful and common English words and phrases. Memorize vocabulary quickly and easily with Spaced Repetition technology and start using what you learn right away.

- **WORDREFERENCE**

One of the best multilingual dictionaries on the web. Translate to and from English and over 15 other languages. Helpful examples and contextual information ensure that you understand the meaning of each word, and how to use it.

- **CAMBRIDGE ENGLISH DICTIONARY**

Our favorite monolingual dictionary. Different versions cater to different needs: Standard, Learner's Dictionary, Essential British English and Essential American English.

- **REVERSO CONTEXT**

Reverso Context provides dozens of example sentences from translations published online, so that you can understand the nuances of each possible use, plus related words and expressions.

LISTENING

AUDIO SERIES

- **MOSASERIES: THE MAN WITH NO NAME**

An original English audio series designed specifically to help you practice your listening comprehension, expand your vocabulary, and improve your understanding of grammar. It's divided into short episodes, and powerful cliffhangers make our series even more addictive than the best Netflix shows! You'll improve your English significantly without even realizing it.

MOVIES & TV

- **BRITISH FILMS**

A list of our favorite British films for practicing listening comprehension of the Queen's English.

- **AMERICAN MOVIES**

A list of a few great movies out of Hollywood for practicing your American English listening skills.

- **U.S. TV SHOWS**

Beginners and intermediate learners often learn better with TV than movies, so here are our picks for learning English.

- **HOW TO LEARN ENGLISH WITH NETFLIX**

Find out how to learn English with your favorite binge-watching site, and get some suggestions for English-language shows to start with.

LISTENING

PODCASTS

- **VOICE OF AMERICA**

News and information for English learners worldwide, featuring beginner to advanced level material.

- **6-MINUTE ENGLISH**

Hundreds of short and interesting episodes produced by the BBC; includes vocabulary and transcripts.

- **BUSINESS ENGLISH POD**

An excellent resource for advanced learners who use English at work or in other professional contexts.

- **TED**

"Ideas worth sharing." Interesting talks given on a wide variety of topics, best for advanced learners.

YOUTUBE CHANNELS

- **MOSALINGUA**

Our channel features tons of smart tips and hacks about learning English (and other languages, too!)

- **NATIONAL GEOGRAPHIC**

One of the largest collections of English videos about the planet we call home.

- **SPEAK ENGLISH WITH CHRISTINA**

A fun YouTube channel for people who want to learn English, especially for professional reasons.

- **ENGVID**

Pick your favorite teacher and start learning English grammar, vocabulary, pronunciation, and more.

SPEAKING

CONVERSATION & FLUENCY

- **MOSASPEAK: SPEAK ENGLISH WITH CONFIDENCE MASTERCLASS**

A 10-unit course designed to help you improve your English pronunciation step by step and speak more fluently and confidently (and actually enjoy doing it).

- **ITALKI**

Find lots of English speakers who are interested in forming language tandems (partner up and chat with someone who wants to learn your native language), or book paid lessons with a tutor.

PRONUNCIATION

- **FORVO**

A pronunciation "dictionary" can be very useful, especially for languages like English, when spelling isn't a big help for guessing how new words are pronounced. Forvo is populated through crowdsourcing. That means users like you can submit recordings, and as a result there are often several accents to choose from.

- **MOSALINGUA PRONUNCIATION GUIDE**

Tips, tricks, exercises, and the best resources for improving your American or British English pronunciation and accent.

- **WHY IMPROVE YOUR ACCENT?**

Learn why working on your pronunciation and improving your English accent is the key to success.

READING & WRITING

NEWSPAPERS & OTHER MEDIA

- **NEWSPAPER MAP**

Read the news from any country in the world. Choose "English," then pick any city on the map for a link to their local news site. It's an especially useful tool when you want to focus on a specific dialect, country, or region.

- **THE NEW YORK TIMES**

Online edition of this major American media outlet.

- **THE GUARDIAN**

British newspaper whose digital edition includes videos and special reports.

- **THE FINANCIAL TIMES**

Keep up with economic news and learn field-specific vocabulary. For a US-focused business and financial newspaper, check out the Wall Street Journal.

READING GUIDES

- **BOOKS FOR ENGLISH LEARNERS**

How should you go about reading a book to learn English? And what reading materials should you start with? We answer these questions and more in our article about books as tools to learn English.

GRAMMAR TOOLS

- **GRAMMARLY**

A browser extension that checks your spelling and grammar and provides helpful advice for writers.

OTHER GUIDES & TOOLS

- **TEST YOUR LEVEL OF ENGLISH**

A guide to walk you through how to determine your English level, since it's not always easy to self-assess. It also explains why it's good to know where you stand and describes different methods of evaluation.

- **LEARN ENGLISH WITH THE BRITISH COUNCIL**

This website created by the British Council, a governmental organization that promotes culture and education in the UK, is an excellent resource. It groups together lessons, exercises for reading and listening comprehension, speaking, and writing, plus special tips for business English.

- **BBC LEARNING ENGLISH**

A complete and well-rounded website for English learners by the BBC. Keep up with the latest news and work your way through short lessons and activities.

- **LEARN ENGLISH WITH MUSIC**

Some of the best websites for learning a language with music, tested and approved by the MosaLingua team: Lyrics Training, Lyrics Gaps, Lyrics.com, and MyLingo. We also have an article on the best genres for English learners.

- **SIMPLE WIKIPEDIA**

Some Wikipedia articles have a version written in English that is easy to read and understand, so they are perfect for non-native speakers.
