Introduction

Français

Il y a plus de 370 verbes irréguliers utilisés dans l'anglais d'aujourd'hui. Les verbes irréguliers sont parmi les plus difficiles à apprendre, car ils sont uniques et doivent être mémorisés. La majorité des verbes anglais utilisent le participe passé et le passé avec le format « -ed », par exemple « played, worked, listened ». Cependant, les verbes irréguliers ne suivent pas le même modèle. Nous avons créé cet e-book des verbes irréguliers les plus couramment utilisés pour rendre le processus de leur apprentissage aussi facile que possible! Prenez bien le temps de les apprendre tout en vous servant de [l'appli MosaLingua Anglais](#) pour que votre expérience d'apprentissage soit aussi efficace que possible.

Introduction

English

There are over 370 irregular verbs used in today's English language. Irregular verbs are some of the hardest to learn, as they are unique and must be memorized. The majority of verbs in English use the past participle and past tense in -ed form. For example, "played, worked, and listened." However, irregular verbs do not follow the same pattern. We've put together this E-book of the most commonly used irregular verbs to make the process of learning them as easy as possible! Make sure that you take the time to review them along with using [Mosalingua's English language app](#) to make your learning experience as effective as possible.

Introduzione

Italiano

Ci sono più di 370 verbi irregolari in uso oggi nella lingua inglese. I verbi irregolari sono una delle cose più difficili da apprendere, perché non seguono uno schema e devono essere imparati a memoria. La maggior parte dei verbi in inglese ha il participio passato e il tempo passato nella forma -ed. Ad esempio, played, worked e listened. Tuttavia, i verbi irregolari non seguono lo stesso schema, appunto. In questo ebook abbiamo raccolto per te i verbi irregolari più comunemente usati per rendere il processo di apprendimento più facile possibile! Assicurati di dedicare loro il tempo necessario per ripassarli con [l'app MosaLingua Inglese](#), affinché tu possa memorizzarli nel modo più efficace

Einführung

Deutsch

Es gibt über 379 unregelmäßige Verben, die in der englischen Sprache von heute verwendet werden. Unregelmäßige Verben sind schwer zu lernen, da sie einzigartig sind und somit auswendig gelernt werden müssen. Die Mehrheit der Verben im englischen Sprachgebrauch verwenden das Partizip Perfekt und die Vergangenheitsform in „-ed“-Form. Beispielsweise „played“, „worked“, und „listened“. Unregelmäßige Verben folgen hingegen nicht dem gleichen Muster. Wir haben deshalb dieses E-Book mit den am häufigsten verwendeten unregelmäßigen Verben zusammengestellt, um ihr Lernen zu vereinfachen! Vergewissern Sie sich, diese neben der Nutzung von [MosaLingua English lernen App](#) für effektiveres Lernen zu überarbeiten.

INTRODUÇÃO

Português

Mais de 370 verbos irregulares são usados hoje no idioma inglês. Verbos irregulares são um dos conteúdos mais difíceis de aprender, uma vez que são únicos, e têm que ser memorizados. A maior parte dos verbos em inglês usa o "past participle" (particípio passado) e o "past tense" (pretérito perfeito) com a terminação "-ed". Por exemplo: "played, worked and listen". Entretanto, os verbos irregulares não seguem o mesmo padrão. Por isso, criamos este e-book com os verbos irregulares mais usados para facilitar ao máximo sua aprendizagem! Reserve algum tempo para revisá-los usando [o app MosaLingua para aprender Inglês](#) e aprimore ainda mais sua experiência de aprendizagem.
